

## **Pagabo National Consultancy Framework Agreement April 2016 to March 2019**

**Focus Consultants have been appointed to the new Pagabo National Framework for Consultancy Services in Construction and Premises.**

### **Our appointed lots are:**

- Quantity Surveying, Project and Programme Management and Lead Consultant
- Sustainability and Environmental Services
- Building Surveying.

### **Key Features and Benefits of the Framework**

- competitively tendered, value for money and OJEU compliant
- the framework can be used by all public sector clients in the UK
- no cost to the client for using the framework
- clients may simply approach Focus or Pagabo with a view to “calling off” our services.”

To be appointed Focus went through a rigorous vetting process. Future clients can benefit from this – reducing the time taken to procure consultants and realising cost savings and improved efficiency.
