

FOCUS

**National Consultancy Services
Framework Agreement 2664_18
Property Building and Infrastructure Advice and
Management Services
1 January 2018 to 31 December 2020**

**Focus Consultants have been awarded a position on the new
ESPO 2664_18 National Framework for Consultancy Services.**

Typical services and types of projects which may be procured under the Framework are :

Services

- Project management, contract administration
- Building surveying
- Quantity surveying and cost management
- Principal designer
- Design services
- Feasibility studies and options appraisals
- Multi-disciplinary teams of architects, mechanical and electrical engineers, structural engineers and more.

**Types of projects (new build, extensions,
refurbishments)**

- Housing
- Hospitals, health centres and care homes
- Libraries and sports and leisure centres
- Theatres, studios
- Renovation and property asset management programmes.

Key benefits of the Framework

- competitively tendered, value for money and OJEU compliant
- available to all public sector clients, registered charities and social housing providers in the UK
- accessible at no cost to the client
- all clients can simply approach Focus to call off our services.

To be appointed Focus went through a rigorous vetting process. Now, through this Framework future clients can save the time needed to procure quality-assured consultants – realising major cost savings and improving efficiency, with complete peace of mind that all due process has been followed.
